GETTING SETTLED UNDER THE  
ATLANTIC IMMIGRATION PILOT  
PROGRAM (AIP)

The Association for New Canadians works to support the long-term needs of endorsed employees and their families under the Atlantic Immigration Pilot (AIP) program by providing:

- Information and orientations about life in Canada, Newfoundland and Labrador, and the local community
- Needs assessments and referral services
- Assistance in completing applications for mandatory Provincial and Federal Programs (such as MCP, SIN, etc.)
- Assistance in enrolling your children in school
- Access to English as a Second Language Training (e.g. on-site, distance, outreach, etc.)
- Employment and career services for your family members
- Access to social and volunteer opportunities in your community
- Access to health supports (e.g. locating a pharmacist, family physician, etc.)
- Assistance in completing Permanent Residence (PR) applications
- Training in Canadian workplace norms

All services are provided without cost to eligible clients.
